Following the last Planning Committee meeting the Town Clerk got in touch with Silloth First Responders. Peter confirmed that this would be an ideal location for another defibrillator, alongside the others available in the town and surrounding area. The Rotary club is looking at placing some public access defibs at both ends of the town and there can never be too many defibrillators. BT Payphones have emailed with details of the process on how to adopt the telephone kiosk for the purpose of installing a defibrillator and also a copy of the contract.
